

Jesus Built A Bridge

I

One day they nailed a carpenter to a rugged tree,
Thinking He would never build again.
There they held Him through His hands and feet,
Still He carried out a master plan.

Chorus

Jesus built a bridge to heaven,
So that I could have a way up to Him.
Jesus built a bridge the only way He could.
With only three nails and three pieces of wood,
With one rugged cross, Jesus built a bridge.

II

The Father looked from heaven to the world below,
And it seemed there was no way to claim His own.
So to the world God's Son, the master builder, had to go,
To make a way to bring God's children home.

Repeat Chorus

With only three nails and three pieces of wood,
With one rugged cross, Jesus built a bridge.
