

Love Of Christ

Phil Cross

Phil Cross Music/BMI

I

Once I heard the Spirit He was calling me / calling me He was calling me
I ran into the water and it set me free / the river was the love of Christ

II

Then I started living as a child of God / child of God as a child of God
I cannot be defeated on this earthly sod / powered by the love of Christ

Chorus

The love of Christ keeps me going on
The love of Christ takes me to my home
The love of Christ the love of Christ
It's the unexplainable uncontainable wonderful love of Christ

III

I come into His presence and I lift my voice / lift my voice yes I lift my voice
But ev'ry word to ev'ry song will still fall short / of the honor due the love of Christ

IV

Soon I will be stepping through the gates of pearl /
gates of pearl through the gates of pearl
And there I'll be reminded how I left this world / raptured by the love of Christ

Repeat Chorus 3 times
